

Tree Planting Activity on Arbor Day

The Environmental Management Bureau- Caraga Region joined a tree planting activity at Barangay Pianing in Taguibo Watershed, Butuan City on June 24, 2016 it was spearheaded by DENR Caraga Region in Celebration of the 2016 Arbor Day.

The Arbor Day observance is mandated through the Proclamation No. 643, Series of 2004 which enjoin the active participation of all government agencies, including government-owned and controlled corporations, private sector, schools, civil society groups and the citizenry in tree planting activity and informing them that June 25 is declared as PHILIPPINES' ARBOR DAY

The DENR Regional Office is expected more than 1000 participants to participate in the activity and it was composed of government employees, academe, civil society organizations, PNP, church, and other partner stakeholders.

The participants are encouraged to bring digging materials such as bolos, shovel or clamshell digger and wear the proper attire for their convenience.

The assembly time is 5:00 a.m. at the Shell Gasoline Station in Barangay Tiniwisan, Butuan City for the short briefing and dissemination of planting materials.
